

Fees and Service Packages

Because each wedding experience is unique and the needs of our Brides are varied, our fees are determined on a per wedding basis.

After the initial consultation meeting, fees are quoted in the form of a proposal designed specifically for each individual Bride.

Once the proposal is presented, the quote is valid for 30 days and will only change in the event of an upgrade in services at the Bride's request.

Our fees are based on the following:

- Size and location of wedding
- Month and Day of wedding
- Level of Service
- Special Needs or Requests
